Local Charity / Community Group:

- Definition: A not-for-profit charity, CIC or unincorporated body dedicated to serving the people of York, with its headquarters and largest branches(s) within the city boundary.
- To ensure that the city centre spaces are managed effectively, it is important that you inform Make It York of any activities that you are planning, that you feel won't fit into one of the categories above.
- To discuss rates or individual requests, please complete the 'initial enquiry form' and we will get in touch.
- MIY offers a number of days FOC for events hosted by local charities and community groups, which are subject to availability and time of year. Please contact info@makeityork.com for further details.
